

Primary PE and Sport Premium

At Rokeby Park Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people’s lives for the better.

We have welcomed the Government’s announcement in June 2013 to provide additional funding until 2020 to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £7,535 plus a premium of £5 per pupil. Smaller schools will receive £475 per pupil.

Total amount of grant received for 2014/2015	£8430

What does the Sport Premium mean for our School?

‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DfE June 2013). At Rokeby Park Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:
